ARTICLE II

MANAGEMENT RIGHTS

4. Both parties agree that it is their responsibility to abide by the terms of the Agreement for its duration.

ARTICLE III

NO STRIKES

Section 1. A strike is defined as the refusal of an employee, in concerted action with others, to report for duty, or his/her willful absence from his/her position, or his/her stoppage of work or his/her abstinence in whole or in part from the performance of the duties of employment as established by this Agreement or as established in a collective bargaining Agreement between the City and the Union expiring immediately preceding the alleged strike.

ARTICLE V

Section 1. If an employee shall be required to be on duty in an administrative workweek in excess of thirty-five (35) hours, he/she shall be paid for such period of overtime work duty at the rate of one and one-half times his/her regular hourly rate of compensation. Hours worked for the purpose of computing overtime shall include all hours the employee is in a pay status, including holiday pay and hours of absence on annual leave and on sick leave.

Section 2. compensatory time per calendar year.

Section 4. Overtime work shall be required only when necessary operations cannot be performed by on duty employees during their regular workweek. Overtime work shall be distributed on an equitable basis among employees qualified to do the work.

Section 5. In the event it becomes necessary to call in an employee or employees to cover an assignment on one of the three (3) public service desks (Main, Children's, and Reference), employees will be called in to work in the following priority from the group of employees that are qualified to serve on the particular desk and have indicated they are willing to perform such additional work:

a. Part-time employees who have not worked that day.

b. Part-time employees who have worked that day on an assignment other than on a service desk.

c. Full-time employees who have not worked that day.

d. Remaining full-time employees.

Part-time employees who are called back to work under the provisions of this section shall not be entitled to overtime pay for such call back.

ARTICLE VI

WAGES

Section 1. The compensation of each full-time and part-time employee shall be determined in accordance with and shall conform to the provisions of this Article and the wage schedules and the effective dates thereof set forth in Appendix A, which is attached hereto and made a part hereof, for the different job classifications.

Section 2. A new employee shall be paid at the minimum step of the wage schedule for the position in which he/she is employed, unless, in the rare instance, and in the discretion of the City, the employee’s training and experience requires placement at a higher step. Each employee employed, except as is otherwise provided for in Section 7 of this Article, shall be placed at the proper step on the wage schedule for the position in which he/she is employed in accordance with the number of years of his/her continuous employment in such position by the City. Each employee shall receive a step increase to the next higher rate within his/her wage schedule upon the completion of fifty-two (52) weeks of creditable service as defined in Section 3 next below.

Section 3. Service which is creditable in the computation of said fifty-two (52) workweeks required before an employee is eligible for a step increase shall include the following:

a. Continuous full-time paid employment, including periods of annual, sick or other leave with pay.
b. Leave without pay or other periods of absence in a non-pay status not to exceed in total the equivalent of thirty (30) workdays within said fifty-two (52) week period. If at the end of said fifty-two (52) week period the total of an employee's pay or other absence in a non-pay status is in excess of said thirty (30) workdays, he/she must serve in a pay status a number of days equal to the number of days of leave without pay or other absence in a non-pay status in excess of thirty (30) workdays in order to meet the length of service requirements for a step increase.

c. Active military service when otherwise creditable service was interrupted.

Section 4. Step increases shall be made effective at the beginning of the next pay period following the completion of the required waiting period.

Section 5. In the event an employee, who has not attained the maximum step of the wage schedule for his/her position, is promoted from such position to another position in the bargaining unit, he/she shall be placed at the step on the wage schedule for the position to which he/she is being promoted which provides him/her with an increase in compensation which is not less than the amount of the next step increase to which he/she would have been entitled had he/she remained in the position from which he/she was promoted. In the event an employee, who has attained the maximum step of the wage schedule for his/her position, is promoted from such position to another position in the bargaining unit, he/she shall be placed at the step on the wage schedule for the position to which he/she is being promoted which provides him/her with an increase in compensation which is not less than the amount of his/her last step increase.

Section 6. Effective July 1, 2015 step one of each pay grade shall be eliminated across the pay scale. Employees who are on step one on that date shall be moved to the old step 2 which will become the new step one. No one except those employees on the old step 1 shall receive a pay increase as a result of the operation of this paragraph.

Each step on each grade shall be moved back one step such that the old step 3 becomes the new step two, the old step 4 becomes the new step 3, etc, such that the old maximum step, step 9, becomes the new step 8. Employees shall stay at the dollar amount they are receiving at the time of the renumbering and shall not receive an increase in pay by virtue of their current step being renumbered.

After the steps are renumbered, a new maximum step, step 9, shall be created which shall be 3% higher than the new step 8. Employees who have been at the new step 8 for more than one year, shall move to the new step 9 on July 1, 2015.
Section 7. The weekly rate of compensation of each employee shall be equal to his/her annual rate of compensation divided by fifty-two (52). The hourly rate of compensation of each employee shall be equal to his/her weekly rate of compensation divided by thirty-five (35).

Section 8. An employee who is formally assigned by the Library Director or his designee, for a period of five (5) or more consecutive work days to perform the duties of a position in a higher pay grade in the bargaining unit, shall retroactive to the first day of performing said duties, receive the compensation he or she would have received had he or she been promoted to such grade and shall continue to receive such compensation until he or she is relieved of said duties.

Section 9. Effective January 1, 2012 a full time employee or regular part-time employee who is required to work on a tour of duty after 4:30 p.m. on Monday through Friday or who is required to work on a Saturday shall be paid a wage differential in accordance with the following: Grades 1-3 eighty ($.80) an hour above his/her regular hourly rate of pay for each hour he/she works on such tour of duty, Grades 4 – 6 ninety cents ($.90) an hour above his/her regular hourly rate of pay for each hour he/she works on such tour of duty, and Grade 7 one dollar ($1.00) an hour above his/her regular hourly rate of pay for each hour he/she works on such tour of duty.

ARTICLE VII

HOLIDAYS

Section 1. The following days or portions thereof as indicated shall be considered holidays: The first day of January, Martin Luther King's Birthday, the third Monday in February, the third Monday in April, the last Monday in May, the fourth day of July, the first Monday in September, the second Monday in October, Veterans' Day, ½ day the day before Thanksgiving Day, Thanksgiving Day, the day after Thanksgiving Day subject to the conditions herein imposed, the day before Christmas, Christmas Day, and the day before New Year's Day beginning at four thirty in the afternoon (4:30 P.M.) at which time the Library will be closed. The Library shall not be closed on the day after Thanksgiving Day but will be staffed by a skeleton work force established by the Library Director. Employees not assigned to such skeleton work force shall be excused from duty and shall receive holiday pay. Employees who are assigned to work on such skeleton work force shall be granted a holiday on a day to be designated by the employee.

Section 2. Each employee covered by this Agreement, whose presence on duty is not required to maintain essential services, shall be excused from duty on said holidays or portions thereof, as the case may be, and shall receive holiday pay at his/her regular hourly straight time rate for the number of hours for which he/she is excused from duty. Holiday pay shall be in lieu of other paid leave to which an employee may otherwise be entitled on
his/her holiday. Accordingly, an employee who is on annual leave or sick leave on any of the aforementioned holidays or portions thereof, shall not be charged such leave but shall receive holiday pay in lieu thereof.

**Section 3.** Each such employee required to work on a holiday shall be paid in addition to the holiday pay to which he/she is entitled as set forth in Section 2 above, his/her regular hourly straight time rate for each hour worked .not to exceed the number of hours in his/her regular daily work schedule.

**Section 4.** When a holiday falls on Sunday, the following Monday will be observed as the holiday. When a holiday falls on Saturday during the summer months (when the Library is closed on Saturdays), it shall be observed pm the preceding Friday. When the employee's scheduled non-work day falls on a day observed as a holiday, his/her scheduled workday proceeding the holiday shall be designated as that employee's holiday.

**Section 5.** To be eligible for holiday pay, an employee must be in a pay status on his/her scheduled workday immediately after the holiday.

**Section 6.** The Director of the Library will determine the number and categories of employees needed for holiday work. An employee who is scheduled to work on a holiday and who does not report for work on said day shall not receive holiday pay but shall be charged as being absent without leave, unless such absence is based on an extreme emergency situation and is excused by the Board of Library Trustees.

**Section 7.** Each employee in the Union will be entitled to one (1) paid personal day each calendar year. Said personal day shall be used at such times as its use does not require the Employer to incur any overtime expense.

**ARTICLE VIII**

**ANNUAL LEAVE**

**Section 1.** Annual leave with pay will be granted in accordance with the provisions of this Article to each full-time and part-time employee covered by this Agreement commensurate with the length of his/her service, as hereinafter defined, with the City.

**Section 2.** Annual leave is provided and is to be used to permit each such employee to have an annual vacation period of extended leave and to provide for absences for shorter periods of time for personal and emergency purposes.

**Section 3.** The term "leave year" as used in this Agreement shall mean the year beginning on the first day of the first full weekly pay period in a calendar year and ending the day before the beginning of the first full weekly pay period in the following calendar year.

**Section 4.** Service which is creditable in determining an employee's entitlement to annual leave shall include all periods of service with the City in a position which is
included in this bargaining unit and all periods of service with the City as a permanent or provisional employee which have not been interrupted by a break in service for a period of two (2) years or more. No credit for prior service shall be allowed in the case of an employee whose employment or reinstatement occurs after a separation of two (2) years or more.

Section 5. Employees shall accrue annual leave as follows:

a. An employee with less than one (1) year of service with the City shall earn one (1) hour of annual leave for each twenty-eight (28) hours in a pay status, exclusive of overtime, subject, however, to a maximum of sixty-three (63) hours in any one leave year.

b. An employee with one (1) year but less than five (5) years of service with the City shall earn one (1) hour of annual leave for each eighteen (18) hours in a pay status, exclusive of overtime, subject, however, to a maximum of ninety-eight (98) hours in any one leave year.

c. An employee with five (5) years but less than fifteen (15) years of service with the City shall earn one (1) hour of annual leave for each thirteen (13) hours in a pay status, exclusive of overtime, subject, however, to a maximum of one hundred thirty-three (133) hours in any one leave year.

d. An employee with fifteen (15) years but less than twenty (20) years of service with the City shall earn one (1) hour of annual leave for each ten (10) hours in a pay status, exclusive of overtime, subject, however, to a maximum of one hundred sixty-eight (168) hours in any one leave year.

e. An employee with twenty (20) or more years of service with the City shall earn one (1) hour of annual leave for each eight (8) hours in a pay status, exclusive of overtime, subject, however, to a maximum of two hundred three (203) hours in any one leave year.

f. Notwithstanding the provisions of paragraphs a, b, c, d and e immediately above, no reductions in annual leave accruals will be made for hours of absence without pay of an employee until and unless the aggregate number of hours of absence without pay of such employee in any one leave year totals or exceeds thirty-five (35) hours. When the aggregate number of hours of absence without pay of an employee totals or exceeds thirty-five (35) hours in any one leave year, then reductions in annual leave accruals of one (1) hour will be made for each such thirty-five (35) hour period and multiples thereof. Such periods of absence without pay shall include only the absences which occur on days when an employee is scheduled to be in a duty or pay status.

g. The minimum charge of annual leave shall be one (1) hour. Charges for annual leave in excess of one (1) hour shall be in multiples of one (1) hour.
h. A change in the rate of accrual of annual leave by an employee under the provisions of this Section 5 shall take effect at the beginning of the pay period after the pay period in which the employee completed the prescribed period of service.

Section 6. Notwithstanding the provisions of Section 5 of this Article, an employee, except the employee who is reemployed or reinstated by the City after a break in service of less than two (2) years, shall be entitled to annual leave only after being currently employed by the City for a continuous period of one hundred and eighty (180) days. After completing said one hundred and eighty (180) day period, the employee shall be entitled to be credited with the annual leave that would have accrued to him/her during such period under said Section 5, except for the provisions of this Section 7.

Section 7. Annual leave which is not used by an employee shall accumulate for use in succeeding years until it totals not more than seventy (70) hours at the beginning of the first full weekly pay period in the calendar year. Annual leave which has accrued to an employee's credit in excess of said seventy (70) hours at the beginning of said first full weekly pay period shall be forfeited.

Section 8. An employee who has unused annual leave to his/her credit at the time his/her employment with the City is terminated shall be paid in a lump-sum for such leave at his/her current hourly rate of compensation.

Section 9. The Director of the Library or his/her designee or designees, is authorized to approve requests for annual leave. The persons authorized to approve annual leave shall determine when and in what amount an employee may be granted annual leave. Equitable and considerate treatment of all employees as well as work requirements will be the determining factors in the granting of annual leave. Employees shall be afforded the opportunity to use their annual leave to avoid leave forfeitures. Annual leave must be requested in advance, except when unusual or unforeseen circumstances prevent the employee from making the request in advance. Under such circumstances, the employee shall notify the person authorized to approve his/her leave of the reason for his/her absence before or at the beginning of his/her scheduled tour of duty.

Section 10. Annual leave may in unusual and deserving cases be advanced in the discretion of the Director of the Library to an employee at any time during a leave year, except in the case of an employee who has not completed the qualifying period of one hundred and eighty (180) days provided for in Section 7 of the Article. Any such advance shall not exceed the amount of annual leave the employee is entitled to earn in the leave year. Advanced annual leave will not be granted if it is known in advance or there is reason to believe that the employee is not expected to return to duty. All credits of annual leave which become due while there is an outstanding debit of annual leave must be applied to the debit. If the employment of an employee who has been advanced annual leave shall be terminated before the full amount of such advanced annual leave shall be earned, the employee shall refund to the City the amount of compensation owed for any unearned
annual leave.

Section 11. Each Employee in the Union will be entitled to one (1) personal day following the ratification of this Agreement, to be used at a mutually agreed time prior to July 1, 2005. The parties agree that said personal day shall be available only at such times as its use does not require the Employer to incur any overtime expense.

ARTICLE IX

SICK LEAVE

Section 1. Sick leave with pay will be granted in accordance with the provisions of this Article to each full-time and part-time employee covered by this Agreement when the employee:

a. Is incapacitated for the performance of his/her duties by sickness or injury, except any sickness or injury resulting in whole or in part from the voluntary use of intoxicating liquor, drugs or narcotics, any injury which is self-inflicted, and any injury which is incurred in gainful employment or self-employment other than as an employee of the City;

b. Receives medical, dental or optical examination or treatment;

c. Is required to give care and attendance to his/her spouse, child, parent or other member of his/her immediate household who is afflicted with a contagious disease or a serious illness;

d. Would jeopardize the health of others by his/her presence on duty because of exposure to a contagious disease.

Section 2. Each such employee shall accrue one (1) hour of sick leave for each seventeen (17) hours in a pay status, exclusive of overtime, subject, however, to a maximum of one hundred and five (105) hours in anyone leave year.

Section 3. Notwithstanding the provisions of Section 2 of this Article, no reductions in sick leave accruals will be made for hours of absence without pay in the case of an employee until and unless the aggregate number of hours of absence without pay of an employee in anyone leave year totals or exceeds thirty-five (35) hours in anyone leave year. When the aggregate number of hours of absence without pay of an employee totals or exceeds thirty-five (35) hours in anyone leave year then reductions in sick leave accruals of one (1) hour will be made for each such thirty-five (35) hour period and multiples thereof. Such periods of absence without pay shall include only those absences which occur on days when an employee is scheduled to be in a duty or pay status.

Section 4. Sick leave which is not used by an employee shall accumulate for use in
succeeding years until it totals not more than one thousand and fifty (1,050) hours at the beginning of the first full weekly pay period in the calendar year. Sick leave which has accrued to an employee's credit in excess of said one thousand and fifty (1,050) hours at the beginning of said first full weekly pay period shall be forfeited. An employee who has unused sick leave to his/her credit at the time his/her employment with the City is terminated shall not be paid for such leave.

Section 5. Notwithstanding the provisions of Section 2 of this Article, an employee, except the employee who is reemployed or reinstated after a break in service of less than two (2) years, shall be entitled to sick leave only after being currently employed by the City for a continuous period of one hundred and eighty (180) days. After completing said one hundred and eighty (180) day period, the employee shall be entitled to be credited with the sick leave that would have accrued to him/her during such period under said Section 2, except for the provisions of this Section 5. The said one hundred and eighty (180) day qualifying period shall include both work days and non-work days.

Section 6. Sick leave may in the discretion of the Director of the Library be advanced to an employee up to a maximum of one hundred and five (105) hours in excess of the amount which shall have accrued to his/her credit. Advanced sick leave will not be granted if it is known in advance or there is reason to believe that the employee is not expected to return to duty. A request for advanced sick leave must be supported by a medical certificate. All credits of sick leave which become due while there is an outstanding debit of sick leave must be applied to the debit. 'If the employment of an employee who has been advanced sick leave shall be terminated before the full amount of such advanced sick leave shall be earned, the employee shall refund to the City the amount of compensation owed for any unearned sick leave. Annual leave may be substituted for advanced sick leave so as to liquidate any such indebtedness to the City.

Section 7. The Director of the Library, or his designee or designees, is authorized to approve or disapprove requests for sick leave. The minimum charge of sick leave shall be one (1) hour. Charges for sick leave in excess of one (1) hour shall be in multiples of one (1) hour.

Section 8. An employee who is absent from duty on account of sickness or injury shall notify the person authorized to approve sick leave of the reason for his/her absence before or at the beginning of his/her scheduled tour of duty. Employees who fail to notify their department of their absence will be subject to the provisions of Article 12, barring extenuating circumstances. Upon his/her return to duty the employee will sign a form certifying that his/her absence from work was due to one of the reasons specified in Section 1 of this Article. Sick leave not in excess of five (5) consecutive days will ordinarily be approved without a medical certificate from the employee's attending physician. However, in those cases that indicate excessive absence on account of sickness or where there appears to be an abuse of the sick leave privilege, a medical certificate may be required for any absence attributable to sickness. Absences on sick leave in excess of five (5) consecutive days must be supported by a medical certificate. Employees who fail to provide a medical certificate after having been so requested, will not be granted sick leave and will not be paid for their absence. The City may request that an employee be examined by a physician designated by the City to determine whether he/she is incapacitated for the
performance of his/her duties by sickness or injury. The cost of such examination shall be paid for by the City. In those cases where an employee's request for sick leave is not approved, his/her absence shall be considered to be unauthorized, and he/she shall receive no pay for the period of such absence.

Section 9. Employees who have more than six unexcused absences (absence for purpose of this paragraph shall mean a period of absence, not a day) in a six month period may be required by their department head to provide medical justification for every absence due to illness or injury in order to receive sick leave pay for subsequent absences. Failure to provide such documentation will result in the employee being carried in a no-pay status. Employees must go six months without any absences to have this requirement removed. Employees may also be required to provide medical justification for "patterned" absences.

Employees who have more than 8 unexcused absences (absence for purpose of this paragraph shall mean a period of absence, not a day) during a 12 month period shall be considered to have excessive absenteeism and shall be subject to progressive discipline for just cause up to and including termination. Employees, who feign illness or make false statements concerning an absence or illness, will be subject to disciplinary measures up to and including termination for just cause.

Section 10. An employee who is reemployed or reinstated by the City after a break in service of less than two (2) years shall be credited with the unused sick leave which he/she had to his/her credit at the time of the termination of his/her employment with the City.

Section 11. An employee, who retires under the City of Attleboro Contributory Retirement System, shall receive at the time of his/her retirement, a lump-sum payment determined by multiplying the total number of accumulated sick leave days to his/her credit at the time of his/her retirement by sixty ($60.00) dollars. Section 12. In the event a tenured employee, as defined in Chapter 31 of the Massachusetts General Laws, shall die while in the employ of the City, there shall be paid to his/her designated beneficiary or to his/her estate, as the case may be, a lump-sum payment determined by multiplying the total number of accumulated sick leave days to his/her credit at the time of his/her death by sixty ($60.00) dollars. For the purposes of this Section, a sick leave day shall consist of seven (7) hours.

Section 2. In addition to receiving no pay for a period of absence without leave, an employee may be subject to disciplinary action for such unauthorized leave.

ARTICLE XIII

LIGHT DUTY

Members of the bargaining unit shall be eligible for temporary light duty assignments regardless of whether they are absent from duty due to personal illness or a work-related injury.
To be eligible for light duty an employee must be able to perform some or all of his/her regular duties on either a full or part time basis, or be able to perform a specific light duty assignment developed by the head of the his/her department.

To be eligible for light duty an employee must submit a note from his/her treating physician stating that the employee is able to perform light duty and any specific requirements concerning the employee ability to perform or inability to perform certain tasks.

If a department head believes an employee may be ready to return to work on a regular or light duty basis, he/she may contact the employee about returning to work. If the employee declines to return to work, the department head may require the employee to be examined by the City physician, or another physician designated by the City, for an evaluation for fitness for duty, at the City’s expense. If the City physician finds the employee fit for full or light duty, the employee shall immediately return to work in full or light duty capacity, unless he/she provides a note from his/her treating physician disagreeing with the finding of the City physician. Both the City physician and the employee’s physician shall be provided with a copy of the employee’s job description and a description of any proposed light duty assignment.

The employee’s physician shall be afforded full opportunity to consult with the City’s physician as to the employee’s fitness to perform a light duty assignment or return to full duty. If the employee’s physician and the City physician disagree as to such “fitness”, they shall thereupon jointly designate a physician agreeable to both who, at the City’s expense, shall examine the employee and render a written medical opinion as to the employee’s fitness, copies of which shall be transmitted by the employee to both the City physician and the employee’s own physician. In the event of their inability to agree upon a third physician, a physician shall be jointly selected by the employee and the City.

Pending receipt of such opinion, the City shall not require the employee to return to duty and shall continue to fully compensate him/her on worker’s compensation or sick leave for time lost due to any such absence, assuming the employee is otherwise eligible for said benefits.

If the third physician determines that the employee is not fit to return to full or light duty, the employee shall be continued on sick leave or worker’s compensation benefits assuming he/she is otherwise eligible for said benefits.

If the third physician determines that the employee is fit to return to full duty or fit to return to limited duty, or that the employee’s current disability is not related to the injury, the employee shall no longer be continued on paid leave, subjects to the provisions of M.G.L. chapter 152.

The opinion of the third physician shall be final and binding on the parties. His/her determination shall not be subject to the grievance arbitration provisions of this Agreement.

ARTICLE XVIII

GRIEVANCE PROCEDURE

Section 1. The purpose of the procedure set forth in this Article is to produce prompt and equitable solutions to those problems which from time to time may arise and affect the conditions of employment of the employees covered by this Agreement.

Section 2. Nothing contained in this Article shall be construed as limiting the right of any aggrieved employee from discussing his/her grievance informally under the grievance procedure and from having his/her grievance adjusted, without the intervention of the Union, provided any such adjustment is not inconsistent with the terms of this Agreement and provided that the Union has been given the opportunity to be present at such adjustment and to state its views.

Section 3. A grievance is defined as a question, complaint or dispute involving the meaning, application or interpretation of or compliance with the terms and provisions of this Agreement. Any matter which is not specifically covered by the provisions of this Agreement or which is reserved to the discretion of the City by the terms of this Agreement shall not be the subject of a grievance hereunder.

Section 4. Grievances, except as is otherwise provided for herein, shall be processed in accordance with the following procedure:

a. Level One. The aggrieved employee shall first present his/her grievance in writing to the Director of the Library or his/her designee. The grievance shall give a summary of the facts involved, the provision or provisions of this Agreement allegedly violated and the relief desired.

b. Level Two. If at the end of the five (5) working days next following the presentation at Level One the grievance shall not have been disposed of to the employee's satisfaction, the aggrieved employee or the Union may within five (5) working days thereafter submit his/her grievance in writing to the Board of Library
Trustees. The written grievance shall give a summary of the facts involved, the provision or provisions of this Agreement allegedly violated and the relief desired. Within ten (10) working days after receipt of the written grievance the said Board of Library Trustees shall meet with the aggrieved employee and a representative or representatives of the Union in an effort to settle the grievance. Within ten (10) working days after the conclusion of said meeting, the Board of Library Trustees shall advise the aggrieved employee and the Union in writing of its decision concerning the grievance.

c. **Level Three.** If at the end of the twenty (20) working days next following the presentation of the grievance at Level Two the grievance shall not have been disposed of to the employee's satisfaction, the aggrieved employee or the Union may within five (5) working days thereafter submit his/her grievance in writing to the Mayor. Within ten (10) working days after receipt of the written grievance, the Mayor or his/her designated representative or representatives shall meet with the aggrieved employee and a representative or representatives of the Union in an effort to settle the grievance. The Mayor or his/her designated representative shall within ten (10) working days after the conclusion of said meeting advise the aggrieved employee and the Union in writing of his/her or its decision, as the case may be, with respect to the grievance.

d. **Level Four.** If the Union is not satisfied with the disposition of the grievance at Level Three or if no decision has been rendered within ten (10) working days after said meeting between the Mayor or his/her designated representative, the Union and the aggrieved employee, the Union may, by giving written notice to the Mayor within ten (10) working days after the date of the decision of the Mayor or his/her designated representative in Level Three or within twenty (20) working days after said meeting with the Mayor or his/her designated representative if no decision has been rendered, present the grievance for arbitration. In such case the following procedure will be followed:

1) The City and the Union will forthwith submit the grievance to the State Board of Conciliation and Arbitration, or to such other Arbitration Tribunal as may be mutually agreed upon, for disposition in accordance with the applicable rules of said State Board of Conciliation and Arbitration or such other Arbitration Tribunal as may be selected.

2) The arbitrator selected shall hold hearings promptly and, unless the time shall be extended by mutual agreement, shall issue his decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, from the date of submission to him of the final statement and proofs.
3) The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusion. The authority of the arbitrator shall be limited to the terms and provisions of this Agreement and the question or questions which are submitted. The arbitrator shall have only the power to interpret what the parties to this Agreement intended by the specific clause in the Agreement which is at issue. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have no authority to establish wages or other compensation, nor to alter, modify or change in any way the terms and provisions of this Agreement.

4) The decision of the arbitrator shall be final and binding upon the City, the Union and the aggrieved employee.

5) The fee and expenses of the arbitrator and the expenses directly related to the arbitration hearing shall be shared equally by the City and the Union.

Section 5. If at the end of the twenty (20) working days next following the occurrence of any grievance or the date of first knowledge of its occurrence by any employee affected by it, the grievance shall not have been presented at Level Two of the procedure set forth above, the grievance shall be deemed to have been waived. Any grievance in course under such procedure shall also be deemed to have been waived if the action required to present it at the next level in the procedure shall not have been taken within the time specified in the procedure.

Section 6. If, in the judgment of the Union, a grievance affects a group or class of employees, the aggrieved employee or the Union may submit such grievance in writing directly to the Director of the Library. The Union may process such grievance through all levels of the grievance procedure even though the aggrieved employee does not wish to do so.

Section 7. The time limits hereinabove specified for the bringing and processing of a grievance may be extended by mutual agreement of the Union and the City.

ARTICLE XIX

MEETINGS WITH UNION

Section 1. The City agrees to meet and confer with officers of the Union at reasonable times during working hours on any questions or matters relative to the terms of this Agreement. Employees will be excused from the performance of their duties to attend any such meeting.
Section 2. For the purpose of collective bargaining the designated representative or representatives of the City and the designated representative or representatives of the Union shall meet at reasonable times and shall confer in good faith with respect to wages, hours and other conditions of employment, or the negotiation of an agreement, or any question arising there under, and shall execute a written contract incorporating any agreement reached. Whenever any such meeting is held during the working hours of any employee who is a representative of the Union, such employee shall be excused from the performance of his/her duties to attend such meetings, provided, however, that not more than three (3) employees will be so excused at anyone time.

ARTICLE XX

ATTENDANCE AT EDUCATIONAL SEMINARS

The City may from time to time request or authorize employees to attend specific educational seminars, workshops, conferences or courses on behalf of the City. In such cases the City will reimburse employees for their reasonable actual expenses incurred for tuition fees, transportation and lodging, if such is required in connection with such attendance.

ARTICLE XXI

REIMBURSEMENT FOR COURSES

Section 1. The City shall reimburse an employee for a course approved in advance by the Director of the Library and which is directly related to the employee's duties and responsibilities or are courses which are required to secure a MLS degree or certificate. Reimbursement shall be contingent upon the employee's obtaining a satisfactory grade in any such course according to the standards of the institution and submitting evidence of such satisfactory completion to the Director. Notwithstanding the foregoing provisions, the maximum amount to be expended by the City for such course reimbursement shall not exceed fifteen thousand dollars ($15,000.00) during each year of the Agreement. The maximum amount of reimbursement per employee will be $4,000.00 per year. Employees who work less than full time shall have their reimbursement prorated based upon the number of hours they work per week.
Section 2. The Director of the Library shall maintain a list of those employees who have made application for course reimbursement and those employees who have been granted course reimbursement. This list will be available to the Union President upon request.

ARTICLE XXII

MATERNITY LEAVE

Section 1. A leave of absence shall be granted for maternity purposes to female employees, who have completed their probationary period, on the terms and conditions set forth in this Article.

Section 2. The employee shall, no later than two (2) months prior to the date she desires her leave of absence to begin, make written request for such leave to the Director of the Library. Such request shall indicate the dates on which the employee desires her maternity leave to commence and to terminate and shall be accompanied by a written statement from her physician which provides his/her estimate of the delivery date and his/her evaluation of the employee's physical ability to continue to perform the full duties and responsibilities of her position. She shall be permitted to continue on active duty until such date, provided she does perform the full duties and responsibilities of her position and furnishes additional statements from her physician upon the reasonable request of the Director of the Library.

Section 3. The employee shall agree not to return to duty any earlier than the termination date set forth in her written request without the approval of the Director of the Library, unless the termination date is within eight (8) weeks after the commencement of the maternity leave. In no event shall the period of any maternity leave terminate any later than one (1) year from the date of its commencement.

Section 4. The employee may elect to use her accumulated sick leave during her period of physical disability. Sick leave shall be paid only during the time period in which a physician certifies the employee to be physically disabled and only to the extent of the number of sick leave days the employee has accumulated.

Section 5. The employee must notify the Director of the Library in writing at least thirty (30) days prior to the termination of her maternity leave of her desire to return to duty and furnish him with a statement from her physician attesting to her ability to resume the full performance of the duties and responsibilities of her position. If the employee fails to notify the Director of the Library in writing within thirty (30) days prior to the termination of such leave of her desire to return to duty or does furnish such notice and fails to return to duty at the termination of such leave, she shall be deemed to
have resigned, and the obligation of the City to provide a position for her shall cease.

Section 6. All benefits to which the employee was entitled at the time her leave of absence commenced, including any unused sick leave, shall be restored to her upon her return to duty, and she shall be assigned to the same position which she held at the time such leave commenced, if such position is available, or, if it is not available, to a substantially equivalent position. The determination as to what constitutes a substantially equivalent position shall be made by the Director of the Library in each case. The City shall not be required to restore an employee on maternity leave to her previous or a similar position if other employees of equal length of service credit and status in the same or similar position have been laid off due to economic conditions or other changes in operating conditions affecting employment during the period of her maternity leave.

ARTICLE XXIII

FAMILY AND MEDICAL LEAVE ACT

1. Notwithstanding the provisions of the Federal Family and Medical Leave Act (FMLA), the City agrees to apply the provisions of the FMLA to all employees in the bargaining unit who have been employed for twelve (12) months.

2. The City agrees that each eligible employee is entitled to take up to twelve (12) weeks of leave per fiscal year, but in no event shall an employee take a continuous leave of more than twelve (12) weeks in a calendar year.

3. Eligible employees are entitled up to twelve (12) weeks of FMLA leave for one or more of the following reasons:

   a) The birth of an employee's child;

   b) The placement of a child with an employee for adoption or foster care;

   c) The need to care for the employee's child, spouse, parent, or parent-in-law who has a “serious health condition”;

   d) The employee's “serious health condition” which renders the employee unable to perform his or her job.

A leave for birth, adoption, or foster care placement must conclude within twelve (12) months of the birth or placement of the child. “Serious health conditions” shall include, but is not limited to, heart attacks, strokes, cancer, severe respiratory conditions, back conditions requiring surgery or extensive therapy, severe arthritis, pneumonia, appendicitis, nervous disorders, and complications or illnesses related to pregnancy. “Serious health condition” shall mean an illness, injury, impairment, or physical or mental condition that involves:
- any period of incapacity or treatment connected with in-patient care in a hospital, hospice or residential medical care facility;

- any period of incapacity requiring absence of more than three (3) calendar days from work, school or other regular activities that also involves continuing treatment by or under the supervision of a health care provider;

- continuing treatment by or under the supervision of a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three (3) calendar days; or

- prenatal care.

Leave may be taken on an intermittent basis when medically necessary or when agreed to by the City and the employee.

4. During such leave, an employee will be paid any sick leave, vacation, emergency, and personal leave benefits accrued as of the beginning of such leave. These benefits shall continue to accrue for so long as the employee is on the City's payroll. Once these benefits have been exhausted, the remainder of the leave shall be unpaid. An employee's seniority shall continue to accrue until the end of the leave.

5. If the need for FMLA leave is foreseeable, an employee shall notify the City of her or his intention to take such leave thirty (30) calendar days prior to the commencement of such leave. Where the need for FMLA leave is not foreseeable, the employee should give the City notice as soon as is practicable. The employee must also provide medical certifications supporting the need for leave due to a serious health condition.

6. During FMLA leave, an employee shall be provided with continued health insurance benefits as long as the employee continues to pay the same contribution rate as paid by the employee prior to leave. In the event the employee fails to return to work at the end of the leave, the City retains the right to recover the health insurance premiums the City paid to maintain the employee's health insurance during the leave, unless the reason the employee does not return is due to the continuation, recurrence, or onset of a serious health condition which would entitle the employee to leave under FMLA or is due to other circumstances beyond the employee's control, such as where an employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's worksite; a relative or individual other than an immediate family member has a serious health condition and the employee is needed to provide care; the employee is laid off while on leave; or the employee is a "key employee" who decides not to return to work upon being notified of the employer's intention to deny restoration because of substantial and grievous economic injury to the employer's operations and is not reinstated by the employer.

7. The City retains the right to require that a request for leave be supported by medical certification issued by a health care provider. "Health Care Providers" should be those professionals listed in the FMLA. The City also reserves the right, in good faith, to require that the employee obtain a second medical opinion by a health care provider designated by the City, so long as such provider is not employed on a regular basis by the City, with the exception of the City doctor. The expense of the second opinion shall be borne by the City, unless the employee's medical insurance would cover such expense. If
the first and second opinions differ, the City may require the employee to obtain medical certification from a third health care provider, to be designated or approved jointly by the City and the employee. If the City does not attempt, in good faith, to reach agreement regarding the identity of the third health care provider, then the City will be bound by the first certification. If the employee does not attempt, in good faith, to reach agreement regarding the identity of the third health care provider, then the employee will be bound by the second certification. The third medical opinion shall be binding, provided that the third health care provider has reviewed the first and second certifications, along with each party’s written reasons for not accepting the prior certification.

8. Where an employee has taken FMLA leave because of his or her own serious health condition, the City may require, as a condition for returning to work, fitness for duty certification from the employee's health care provider with regard to the particular health condition that caused the employee's leave.

9. An employee who returns to work at the end of FMLA leave shall be restored to the same position or an equivalent position with the same pay, benefits and working conditions, unless the employee is a "key" employee or would have been laid off or otherwise terminated during the employee's leave. If an employee on FMLA leave would have been laid off or otherwise had his or her position terminated during the leave period, then the City will not be required to reinstate the employee at the end of the leave; provided, however, that such employee shall retain any bumping rights he or she may have under this Agreement. A key employee is a salaried employee and among the highest paid ten percent (10%) of employees employed by the City.

10. The City may deny job restoration to a key employee taking FMLA leave in order to prevent substantial and grievous economic injury to the City. To exercise this option, the City must notify the key employee in writing at the time FMLA leave is requested that the employee is a key employee. If the City later decides to deny job restoration to the key employee, the employee must be provided with written notice explaining the reasons for the decision. The employee must also be given a reasonable opportunity to return to work after this notice. A key employee who does not return to work after receiving such notice retains all of his or her FMLA rights until the conclusion of the leave. At the conclusion of his or her FMLA leave, the key employee remains entitled to request reinstatement. The City must then determine whether there will be substantial and grievous economic injury from reinstatement and notify the employee in writing if reinstatement is denied.

11. In the event both spouses are employed by the City and are eligible employees, they are jointly entitled to a combined total of twelve (12) work weeks of FMLA leave if the leave is taken:

(1) for the birth of a son or daughter or to care for the child after birth,

(2) for placement of a son or daughter for adoption or foster care, or to care for the child after placement; or

(3) to care for a parent (but not a parent "in-law") with a serious health condition.
12. Any violation of this Article shall be subject to the grievance and arbitration provisions of this Agreement. The arbitrator may look to the provisions of the FMLA in fashioning his or her decision and award.

13. Notwithstanding the provisions of this Article, any provisions of Article XXI which provide more generous than the provisions of this Article, then the provisions of Section XXI shall prevail. In no event shall these benefits be cumulative with those in Article XXI.

ARTICLE XXIV

PROBATIONARY PERIOD

The first six (6) months of continuous employment of an employee shall constitute his/her probationary period. No suspension, discipline or dismissal made during an employee's said probationary period shall be construed as a violation of any of the provisions of this Agreement or shall be the subject of a grievance proceeding hereunder.

ARTICLE XXV

POSTING OF VACANCIES

When a position covered by this Agreement becomes vacant, such vacancy shall be posted in a conspicuous place listing the pay, duties and qualifications for the position. The Union's representative shall be notified in writing of the vacancy at the time of the posting. The notice of vacancy shall remain posted for seven (7) days. Employees interested in the position vacancy shall apply in writing within said seven (7) day period. In addition, notice of any vacancy for a City position shall be given to the chairperson of the Association when such notice is posted at City Hall.

ARTICLE XXVI

REDUCTION IN FORCE

1. In the event it becomes necessary for the City to reduce the number of employees in the bargaining unit because of budgetary limitations, reasons of economy, reorganization, or other similar reasons the procedures set forth in this Article will govern the layoff and reemployment of employees who are affected by any such reduction. The City will enter into negotiations with the Union over the impact on the bargaining unit of any proposed reduction in force.

2. The Director of the Library shall have the sole discretion in determining which position or positions or which type of positions are to be eliminated. Determinations of the qualifications of employees under this article by the Director
of the Library shall not be arbitrary or capricious.

3. Employees will be laid off or reduced in hours of work in order to accomplish any such reduction in force in the inverse order of their seniority as employees of the Library, those with the least seniority to be laid off or reduced in hours first. An employee who is reached for reduction in force in his/her job classification may bump an employee in a different job classification in the same pay grade, provided his/her qualifications, in the opinion of the Director of the Library, are substantially equal to those of the other employee, and he/she has greater seniority, and may bump an employee in a lower job classification, provided he/she is qualified to perform the duties of the position and has greater seniority. Notwithstanding the foregoing provisions, a part-time employee may only bump a part-time employee. A full-time employee may bump both a full-time and a part-time employee.

4. Seniority as used herein shall mean an employee's length of service in years, months and days in the employ of the Library which has not been interrupted by a break in service of more than two (2) years. In cases involving employees who have identical seniority, lots will be drawn by such employees to determine seniority.

5. An employee who is to be laid off shall be given fifteen (15) days written notice of his/her proposed layoff.

6. A full-time employee, who has been laid off or in lieu of being laid off has been reduced to a part-time position in the bargaining unit, shall be entitled to recall rights, in the inverse order of his/her layoff or reduction to a part-time position, as the case may be, to a full-time position for which he/she is qualified for a period of two (2) years, except as is otherwise provided herein, from the effective date of his/her layoff or reduction to a part-time position. A part-time employee, who has not been involuntarily reduced to a part-time position, who has been laid off shall be entitled to recall rights, in the inverse order of his/her layoff, to a part-time position for which he/she is qualified, for a period of two (2) years, except as is otherwise provided herein, from the effective date of his/her layoff. If a full-time employee, who has been selected for reduction in staff, accepts a part time position, such employee shall retain recall rights to the next available full-time position.

7. During the recall period, an employee will be notified by certified mail, addressed to his/her last address of record, of the City's intent to recall him/her. The employee must notify the Director of the Library, in writing, of his/her acceptance of an offer of recall within seven (7) days from the date of his/her receipt of said certified mail. An employee's failure to so notify the Director of the Library of his/her acceptance of any such offer or his/her failure, after accepting any such offer, to report for duty
on the date indicated shall terminate his/her recall rights, notwithstanding the fact that the two (2) year period of recall has not expired. An employee who is recalled shall have at least two (2) weeks to report for work.

8. To the extent allowed by law and the insurance carrier's policy, employees may continue, during the period they are eligible for recall, the group health and group life insurance, which is provided to members of the bargaining unit, by paying the full amount of the premium for such insurance to the City Treasurer. In the event any such employee fails to make payment of said premium or refuses any offer of recall to a full-time position, as the case may be, his/her option to continue such insurance shall terminate. A part-time employee may decline an offer of full-time employment without loss of his/her option to continue such insurance.

9. An employee, who is reemployed by the City within said two (2) year period after the termination of his/her employment under the provisions of this Article, shall have restored to him/her the unused sick leave he/she had accumulated at the time of his/her said termination.

10. The provisions of this Article shall not apply to the termination of an employee for any reason other than the reasons specified in Paragraph 1 hereof.

11. No new employees shall be hired while an individual who is able to perform the duties of the vacant position has recall rights.

**ARTICLE XXVII**

**PERFORMANCE EVALUATION**

Section 1. All members of the bargaining unit shall be evaluated annually on their anniversary date by their supervisor. A copy of the evaluation tool shall be attached as an appendix to the contract.

The employee and his/her supervisor will determine the goals and expectations for his/her position and such will be recorded and signed by the employee and the supervisor.

Section 3. At mid-year an informal discussion will be held to review the
employee's progress made towards achieving the set goals.

Section 4. The failure by the City or by the Union in one or more instances to observe or enforce any provisions of this Agreement shall not be construed to be a waiver of said provisions.

Section 5. In the event that any of the terms or provisions of this Agreement are in conflict with any municipal personnel ordinance, rule or regulation, or with any of the statutory provisions, or rules or regulations made there under, which are specifically set forth in Section 7 of said Chapter 150E, then the terms and provisions of this Agreement shall prevail.

Section 6. If any part of this Agreement or any provisions contained herein shall be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by a court of competent jurisdiction, such invalidation of such part or provision of this Agreement shall not invalidate the remaining provisions of this Agreement, and they shall continue in full force and effect.

ARTICLE XXXII
